WHAT IS IT?

On October 30th, #TeamRogers is contributing \$150 towards league fees for 1,000 drafted minor hockey players. Getting drafted to #TeamRogers opens up a world of opportunity to meet some of the best-known athletes in sport - including Connor McDavid, John Tavares, Bo Horvat, Mark Scheifele, Sarah Nurse, Marie-Philip Poulin, and more!

WHO CAN APPLY?

2

The parent or legal guardian of a child between 5 and 17 years of age and currently registered in a legitimate hockey, baseball and tennis organization.

HOW DO I APPLY?

3

Visit Rogers.com/getdrafted to learn more and register your child for the draft!

IS THERE A CATCH?

4

No. We're excited for hockey to return and want to help Canadian families get back to the game they love. There is no cost to enter. Just submit your child's info for your chance to be selected.
