- STAGE 1 - The Discipline Process
- STAGE 2 - The Appeal Process

STAGE 1 - THE DISCIPLINE PROCESS

STANDARD SUSPENSIONS

Where the HC current Rule Book / HNS Regulations dictate a suspension for a player for a rule transgression, and game officials determine, by a write-up, that such a transgression took place, the Coach in consultation with the Division Coordinator, as a matter of routine will implement the Suspension.

NON-STANDARD SUSPENSIONS

When incidents occur, which may warrant disciplinary action, the Coach(es) shall report the incident as quickly as possible, and at least prior to the next game, for action.

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

The Division Coordinator, Vice-President Hockey Operations and Coach(es), shall meet, investigate the incident, and determine the applicable sanction. In investigating the incident, they may consult such Game Officials, Players, Parents, or other observers that they may deem necessary to gain the relevant facts of the incident.

The Coach(es) implements the sanctions with the Player(s). A file must be created and established with the Division Coordinator until the end of the season. The file will be maintained and kept with the Secretary of MEIFHA. The Division Coordinator must inform the Executive Vice-President of the sanction or discipline as soon as is possible.

Further, the President or his designate shall have the power to suspend summarily any Player, Coach, Trainer, Manager, Official or Spectator of any Team under the auspices of the Association for any conduct on or off the ice that at the sole discretion of the President is deemed to be unbecoming or detrimental to the game.

This includes any conduct, which in the sole discretion of the President is deemed to be unbecoming or detrimental to the game. Furthermore, the President or his designate shall have the power to suspend summarily any Player, Coach, Team Official or the Team to which the Spectator is attached.

The power and delegation granted to the President allows for effective and quick action against conduct unbecoming or detrimental to the game and its participants, as well as action against the team of the contravening spectator. The Association is prepared to enforce these provisions as required, as they are an integral part of the reporting and enforcement initiatives.

Sanctions that may be applied to any Player, Team Official, Team follower, Parent, or member, include:

1. A verbal reprimand,
2. A written reprimand,
3. A suspension,
4. An expulsion, or
5. A combination of the above.

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

Suspensions when applied to Parents, Coaches, or Team followers shall normally restrict the access of those persons to dressing rooms, bench areas, and possibly spectator areas of arenas.

STAGE 2 - APPEAL OF DISCIPLINE

Notwithstanding the above, should a Coach, Player, or Parent/Guardian feel that Stage 1 has not satisfactorily resolved the issue, it may be appealed to Stage 2 in writing. However, Stage 1 sanctions remain in effect until Stage 2 is complete.

Any appeal of discipline must occur within seventy-two (72) hours of notification of the original discipline being communicated. The appeal must be in writing to the Executive Vice-President.

The Executive Vice-President, on receiving a written appeal or request shall convene a Discipline Committee Meeting.

The Discipline Committee shall establish a hearing and invite such persons, as they deem necessary to provide information to the Committee.

The Discipline Committee shall, with all dispatch, render a decision and communicate that decision to the offending party(ies). Such communication may be verbal at the outset, but shall be confirmed in writing with copies logged with the MEIFHA Secretary.

The Executive Vice-President shall report the outcome of the hearing to the President.

Should the offending party(ies) not agree with the outcome of the hearing, the offending parties may request a hearing at the next regular meeting of the MEIFHA Executive. The request must be in writing to the MEIFHA Secretary, who upon receiving the request shall place the item on the agenda for the next regular meeting of the MEIFHA Executive, and inform the President, Executive Vice-President and respective Division Coordinator of its receipt.

The MEIFHA Executive may provide up to thirty (30) minutes of meeting time for the person making the appeal to state their case. After the statement has been given, the MEIFHA Executive will discuss the case in private.

POLICY # 13.0 – CODE OF CONDUCT PROGRAM (CONT'D)

The MEIFHA Executive shall render its decision by motion, and a simple majority of those members in attendance shall suffice.

The decision of the MEIFHA Executive of an appeal shall be final and binding on all parties, except for those avenues of recourse provided by Hockey Nova Scotia and Hockey Canada.

Sanctions that may be applied to any Coach, Player, Team Official, Team follower, Parent/Guardian, or member, include:

1. A verbal reprimand,
2. A written reprimand,
3. A suspension,
4. An expulsion, or
5. A combination of the above.

Regardless of any of the above, all issues of abuse and harassment as defined by Hockey Nova Scotia and Hockey Canada will be dealt with as prescribed by the Child Protection Laws of Nova Scotia and Canada.

Player suspension includes no activity in bench area, prior to or after the specified games, or during the specified period.

Suspensions when applied to Parents/Guardians, Coaches, or Team followers shall normally restrict the access of those persons to dressing rooms, bench areas, and possibly spectator areas of arenas.

MEIFHA may add disciplinary measures to any HNS suspension.

POLICY # 14.0 – SOCIAL MEDIA POLICY

INTRODUCTION

Social media, professional networking sites, blog sites, and personal web sites are all useful technologies. Every team member has an opportunity to express and communicate online in many ways, and Metro East Inferno Female Hockey Association encourages an online presence.

Above all else, everyone needs to use good judgement on what material makes its way online.

This social media policy sets forth guidelines and rules that Metro East Inferno Hockey teams should follow for all online communications in reference to MEIFHA.

Your online presence reflects on MEIFHA and your Team, but also influences how people perceive you. Be aware that your actions captured via images, posts, or comments can never totally be erased and could impact future opportunities.

TEAM RULES

Each Team may establish team-specific rules, but in general, the following rules apply to Players and Team Officials while they are at MEIFHA sponsored events (games, practices, tourney, and Team events).

1. Under no circumstances is picture taking within the dressing room permitted at any time. Failure to comply with this policy could result in the offenders' expulsion from MEIFHA.
2. Do not include, post photos or mention personal information of/about teammates or staff members without their permission; respect your teammates' right to privacy.
3. Do not make team-related announcements prior to them being made official or getting permission to do so from MEIFHA, i.e. injuries, lines, lineups, being named to team, being named a captain, etc.
4. Players and hockey personnel cannot use social media to make or promote any comments that could have a negative impact on the team; ask first whether the comments could cause a distraction for the team.
5. No photographs or videos posted from team activities are allowed without consent from those appearing in the photo or video.
6. No public criticizing of officials, opposition, parents / guardians or event organizers.

POLICY # 14.0 – SOCIAL MEDIA POLICY (CONT'D)

GUIDELINES/BEST PRACTICES

You are responsible for anything that you post, write or link to on any social media platform; you cannot totally erase something you have posted, so think before you post or make something public.

- Be professional, courteous and respectful.
- Do not use profanity or words/terms that could be interpreted as prejudice.
- Always assume your post will be read and/or seen by friends, family, teammates, coaches, opponents, media and potential employers or sponsors; this also goes for photos posted on any social media platforms –always assume that the photo posted in a private photo album will eventually find its way into the public domain.
- Consider your long-term professional and personal goals when you post jokes, pranks or behind the scenes anecdotes; Future employers, teams and schools check social media platforms in assessing whether they want individuals representing their organization.
- Be vigilant about identity theft as a public figure.
- Use passwords that are difficult to guess/hack; use a combination of letters and numbers to give your account an additional level of security.
- Be cautious of following, promoting or re-Tweeting and sharing posts by individuals who use offensive language, are disrespectful or consistently look to engage followers in arguments or fights - you will be associated with those individuals if you are following, 'Like'-ing, re-Tweeting or sharing their information.
- Do not ask to be followed or 'liked' just because you are looking for good numbers, but instead give fans a reason to subscribe to your service.
- Always take a moment to reconsider before posting any information or photo; if I was a follower, would I want to read this? Is this appropriate? Could this be interpreted wrongly and become a distraction?
- Proofread for typing errors.
- Do not blame Twitter when things go wrong. Take ownership of the content you provide. Twitter is the vehicle, but you are responsible for how you use it.
- Regularly check your follower list. If a bio looks interesting, follow them.
- Use "unfollow" or "block" on Twitter/Facebook for followers that are going over the line, but do not announce it to everyone.
- Stay away from public debates or exchanges with individuals on social media platforms.
- Keep your Tweets short - they are more likely to be read if they're 50 characters or less.
- Security and police always recommend that you Tweet where you have been and not where you are going.

POLICY # 15.0 – GRIEVANCE or COMPLAINTS PROCESS

From time to time, there may be issues between members of the MEIFHA. The MEIFHA uses a twentyfour (24) hour cool-down period. This means that if any one member of the MEIFHA has a grievance (e.g., an issue with a coaching decision) with another member of the MEIFHA that cannot be immediately and calmly resolved, the member with the grievance shall not pursue the matter any further for a period of at least 24 hours.

- a) In any event, all grievances at a team level shall be addressed to the respective Division Coordinator.

- c) All Grievances must be initiated in writing to the President or Executive Vice President of the MEIFHA.
- d) Upon receipt of written notification, a Grievance hearing date shall be set within seven (7) days.

- f) The decision of the Grievance Committee shall be given in writing within forty-eight (48) hours.
- g) All decisions shall be subject to appeal to Hockey Nova Scotia under HNS guidelines, regulations and bylaws.

POLICY # 16.0 – DRESSING ROOM SUPERVISION

MEIFHA adheres to the Hockey Nova Scotia Dressing Room Supervision Policy with respect to Female Hockey dressing rooms.

Hockey Canada (HC) and Hockey Nova Scotia (HNS) work diligently to protect all participants from all forms of Bullying, Harassment and Abuse whether Emotional, Physical or Sexual. HC and HNS consider any form of Bullying, Harassment and Abuse to be totally unacceptable and will do everything possible to prevent this behavior from taking place within all Minor and Female Hockey dressing rooms. To this end HC/HNS will promote awareness of all forms of Bullying, Harassment and Abuse by providing Educational materials and Programs for Participants, Parents, Coaches, Volunteers and Staff members.

It is the Policy of HC/HNS that there shall be no Bullying, Harassment, or Abuse permitted whether Physical, Emotional or Sexual of any Participants in any of the HC/HNS Programs. HC/HNS expects every parent, coach, volunteer and staff member to Safeguard the Welfare of all Participants and to Protect them from any form of Violence.

To that end HNS requires all Coaches/Bench staff and member Minor Hockey Associations to provide supervision for all Minor/Female Hockey dressing rooms before, during and after all games and practices. HNS requires that Minor/Female players should be supervised at all times, HNS requires MHAs/ Coaches to follow the **“Two Deep Method”** of supervision recommended by Hockey Canada. A lone personnel member should never be in the dressing room with players at any time, especially when players are showering or changing: two adults should be present together, this is called the “Two Deep Method” of supervision. Supervising personnel must be members of the team staff or adults who have completed either “Speak Out” or the “Respect In Sport” for volunteers and have submitted their record checks [CAR & CRC] to their MHA. Parents of all players should be made aware of the **“Two Deep Method”** and avoid letting their children into unsupervised dressing rooms.

All Minor Hockey Associations within HNS are required to develop a Dressing Room Supervision Policy that supplements this HNS policy and this it is to be to be communicated to all members within that Association.

Failure to comply with this HNS Policy will result in Disciplinary action being taken by the appropriate HNS Council through the HNS Discipline Coordinator. A **first Offence** will result in a letter of reprimand being issued to the Head Coach and copied to the team’s Minor Hockey Association. A **Second Offence** will result in an Indefinite Suspension being issued to the Head Coach and an investigation being conducted by the appropriate HNS Council. The intent of this Policy is to ensure the Safety of all participants in the Minor and Female Hockey Programs within HNS.

POLICY # 17.0 – FAIR PLAY CODES

PLAYERS

I will play hockey because I want to, not because others or coaches want me to. I will play by the rules of hockey and in the spirit of the game. I will control my actions, knowing that negative actions can spoil the activity for everybody. I will respect my opponents and do my best to be a true team player. I will remember that winning is not everything and that having fun, improving hockey and life skills, making friends and doing my best are also important. I will acknowledge good plays by those on my team and those of my opponents. I will remember that coaches and officials are there to help me; I will accept their decisions and show them respect.

PARENTS

I will not force my player to participate in the game of hockey. I will remember that my player plays hockey for their enjoyment, not for mine. I will encourage my player to play by the rules and to resolve conflict without resorting to violence or hostility. I will teach my player that doing one's best is as important as winning. I will make my player feel like a winner every time by offering praise for competing and trying hard and will never allow her to feel defeated by the outcome of the game. I will never ridicule or yell at my player or other players for making a mistake or for losing a game. I will applaud good plays by my player's team as well as their opponents. I will never question the official's judgement or honesty and will support all efforts to remove verbal and physical abuse from the game.

I will respect and show appreciation to the coaches who give their volunteer time to coach my player's team.

COACHES

I will be reasonable when scheduling games and practices remembering that players have other interests and obligations. I will teach my players to play fairly and to respect the rules, officials and opponents. I will ensure that all players get equal instruction, support and playing time. I will not yell at the players I coach, ridicule them for making mistakes or for playing poorly. I will build confidence in the players and remember that players play to have fun. I will remember Players; Parents, Officials and Spectators need a coach they can respect. I will continue to upgrade my coaching skills and work in cooperation with officials for the betterment of the game.

SPECTATORS

I will remember that participants are not playing to entertain me but are playing for their enjoyment. I will abide by all facility rules and regulations and respect the official's decisions. I will never ridicule a player for making a mistake and will give positive comments that will motivate and encourage continued effort. I will not support violence of any type and will express my disapproval in an appropriate manner to the coaches and officials. I will show respect for my team's opponents and applaud excellence on both teams.

POLICY # 17.0 – FAIR PLAY CODES (CONT'D)

OFFICIALS

I will ensure that each player has an opportunity to perform to the best of her abilities, within the rules of the game. I will avoid any situation that threatens the safety of the players and maintain a healthy environment for competition. I will not permit the intimidation of any player by words or actions. I will not tolerate unacceptable behaviour towards officials, other players, spectators or myself. I will be objective and consistent in calling infractions, regardless of my personal feelings toward a team or individual Player.

MEIFHA EXECUTIVE MEMBERS

Executive members shall expect no special rights or privileges and understand that they have an obligation to abide by the By-Laws, policies and procedures of the MEIFHA. Failure to do so could result in dismissal from the Executive Committee. Members should accept that because you are a representative of the MEIFHA, your actions either positive or negative reflect back on all other members of the organization.

POLICY # 18.0 – COACH SELECTION PROCESS

The Coach Coordinator and/or the Vice-President Hockey Operations shall present a list of coaching candidates to the Executive for review. The Coach Selection Committee must approve all coaching appointments in any given year. The Executive of MEIFHA reserves the right to reject any coach application if the applicant is deemed to be unacceptable to them as well as if the applicant has demonstrated unacceptable behaviour previously or in past seasons.

All coaches in MEIFHA must meet the minimum requirements for certification as indicated by Hockey Nova Scotia and Hockey Canada. All teams must have coaches certified at the NCCP Coach level. Coaching Certification:

Age Division	INITIATION	NCCP	HTSP	RESPECT IN SPORT
U18		✓	✓	✓
U15		✓	✓	✓
U13		✓	✓	✓
U11		✓	✓	✓
U9 U7 & C	✓		✓	✓

Coach Selection Criteria

All coaches must complete an application form prior to being considered for a coaching position. Applications should be returned to the Coach Coordinator and/or Vice-President Hockey Operations prior to the deadline as published each season on the MEIFHA website. All coaches will be evaluated and selected based upon the information provided on the application form as well as a mandatory interview meeting. All coaches will be required to sign a Code of Conduct contract before being accepted as a coach in MEIFHA. All coaches will be required to participate in Coach Mentorship Programs or Mandatory Certification Programs.

Evaluation by Parents & Players

The MEIFHA recognizes that excellence in player development is largely determined by qualified committed coaches. To ensure that quality coaching is afforded to all players, MEIFHA supports a growth, supervision and evaluation program for its member coaches. The goal of the evaluation program is designed to reinforce an individual's positive coaching tactics and to also provide recommendations and support in the areas of growth.

POLICY # 18.0 – COACH SELECTION PROCESS (CONT'D)

Criminal Record Check (CRC) / Vulnerable Sector Check (VSC)

All Team Officials (Coach(es), Manager, Trainer) and Dressing Room Chaperones must submit a valid criminal record check (CRC) with Vulnerable Sector Check (VSC) to the Risk Management Coordinator no later than December 1st of each season. MEIFHA will not bear the costs associated with obtaining a CRC/VSC, but encourages any costs to be included in the team budget.

CRC/VSC Review Policy

Copies of the CRC & VSC first go to the Risk Management Coordinator and if there is an issue, it is referred to HNS who then will refer the matter to the HNS Review Committee, as required.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS

The Player Evaluation and Team Selection Process should be open, consistent and fair, provide enough flexibility to allow all participants to adapt to changes as required, and meet the overall philosophy and objectives.

PHILOSOPHY AND OBJECTIVES

- a) To provide a positive, non-political environment for players, parents/ guardians, coaches and evaluators.
- b) To provide and administer an open, fair, transparent, consistent and well organized team selection process, such that players, coaches and parents/ guardians can expect a similar experience from season to season, as players move through the various levels of the association's programs.
- c) To ensure an effective evaluation process with fair and impartial assessment of a player's total hockey ability that will result in players participating in the most appropriate category of play, on teams with Players of similar skill.
- d) To ensure evaluation opportunities are provided for all Players to demonstrate their skills, work ethic, how they think and how they play the game. Evaluations begin the moment a Player steps on the ice and it is the Player's responsibility to be ready to show their best.
- e) To ensure Players selected for REPresentative category teams will have the highest level of skill to ensure the most competitive team possible.
- f) To ensure teams at any level with sufficient numbers to warrant multiple teams within the same category of play, are balanced and given equal opportunity to compete.
- g) To provide effective, constructive feedback to encourage ongoing player development.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS (CONT'D)

PARKING PLAYERS: HNSFC Standardized Evaluation Guidelines - Final Copy 2025

“The act of “parking” players during evaluations refers to a practice where top players are excused from certain sessions. Here are several reasons why parking players during the evaluation process is discouraged:

1. **Missed Opportunities for Growth:** Even top players benefit from additional challenges and opportunities to develop their skills. Evaluations often expose players to high-pressure situations that can help them grow and improve.
2. **Perception of Favoritism:** Parking top players can create perceptions of pre-determined outcomes, leading to frustration or disappointment among other players and families. It may diminish the overall fairness of evaluations, as other players may feel they aren't given equal consideration or opportunities to showcase their skills against top competitors.
3. **Limited Evaluation for Team Dynamics:** Evaluations aren't just about individual performance; they're also about seeing how players interact and fit into the team's dynamic. Excluding top players prevents evaluators from observing how these players contribute to and uplift teammates with varying skill levels – an essential factor in creating balanced teams.
4. **Risk of Misjudgment:** Even top players benefit from continued assessment, as their performance, effort, and attitude can fluctuate, offering insights into their readiness and potential fit within a team.

A more fluid approach, where all players are continuously assessed through varied groupings promotes fairness, transparency, and overall development.”

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS **(CONT'D)**

PLAYER & PARENT/GUARDIAN GUIDELINES:

- All players (skaters and goaltenders) are expected to be prepared and attend all of their assigned Evaluation sessions, arriving a minimum of 30 minutes before each session. (See PLAYER ABSENTEEISM if you require an exception). Evaluations begin the moment a Player steps on the ice. It is the Player's responsibility to be prepared and ready to show their best. All ice sessions will be used to evaluate skills and work ethic.
- Each player will be evaluated on a minimum of two (2) ice sessions at any REP level. Those seeking placement for any REP category of play in any age division, must attend the first session at that evaluation level to be considered. No player may join the process after first releases have been made.
- Position Declaration: Players in the U11, U13, U15, and U18 divisions must declare their position before evaluations. MEIFHA reserves the right to meet with players and caregivers after the initial evaluation session to discuss potential position changes if appropriate.
- Identifying Gear: Players are prohibited from wearing identifying socks, pant shells, gloves, or helmets (including stickers). FHA colors and attire are acceptable. Players wearing non-compliant gear will be asked to leave the session.
- Check-in and Jerseys: Players must check-in upon arrival at every evaluation session. During registration, each player will be assigned a pinnie/jersey or number, which must be returned at the end of the evaluation process (\$25 fee for lost pinnies). Each assigned number (jersey or pinny) will be the player's unique number, cannot be swapped and must be brought and worn for every session of the evaluation process. Players U11 to U18 should also bring dark and white jerseys (without numbers on the sleeves) to wear with their number or pinny, as they may be assigned a different colour each session. No yellow jerseys will be permitted.
- Respectful Behaviour: Players and parents/guardians are expected to show respect toward all participants, evaluators, FHA members, and volunteers. Disrespectful behavior will not be tolerated and will result in immediate dismissal from the remainder of the evaluation process.
- Interaction with Evaluation Committee: Players and caregivers are not permitted to interact with evaluators or ask questions before, during, or after evaluation sessions. Any inquiries during the evaluation process must be sent via email to the Executive Vice-President and Vice President Hockey Operations.
- Viewing Policy: Parents/Guardians are prohibited from entering restricted areas during evaluations. Viewing is permitted only at a distance from the evaluators. This policy ensures that players and evaluators can perform without distractions.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS (CONT'D)

PLAYER & PARENT/GUARDIAN GUIDELINES (CONT'D):

- *Restricted Areas: During evaluations, parents/guardians and any individuals not part of the evaluation volunteer roles are prohibited from accessing the following areas:*
 - *Dressing rooms*
 - *Benches/rink floor including watching from next to the glass*
 - *Evaluator space*

If a player needs assistance during a session, a parent/guardian may be admitted to restricted areas with Coordinator permission but must return to the viewing areas for the duration of the session.

- *Dressing Room Policy: All policies and procedures outlined in Hockey Canada's Dressing Room Policy must be adhered to. Key points include:*
 - *Rule of Two: To best ensure safety for all participants, all minor hockey programs sanctioned by Hockey Canada and its Members are required to implement the 'Rule of Two' for all dressing rooms. The 'Rule of Two' requires two trained and screened adults to be present in the dressing room or immediately outside the dressing room with the door propped open to monitor the environment and ensure it is free of any discrimination, harassment, bullying, or other forms of maltreatment. The Rule of Two remains in place when showers are in use.*
 - *Minimum Attire Rule: To best promote inclusion and to respect the privacy of all participants on a team, Hockey Canada requires all participants to wear 'minimum attire' at all times in a dressing room or in dressing environments where more than one participant is present. This means that participants should arrive at the rink wearing a base layer (e.g., shorts and t-shirt, compression shorts and shirt or sports bra). A participant not arriving at the rink wearing their base layer can use an appropriate private space (e.g., private restroom stalls or empty/unused dressing rooms) to change into the base layer and then enter the team dressing room with the other participants.*

EVALUATION GUIDELINES & PROCESS:

- The Vice-President Hockey Operations will determine any required adjustments to the Evaluation Process related to numbers each season. The VP Hockey Ops will work with the VP Administration to ensure schedules, information and documentation is updated to present to the MEIFHA Executive for approval, before communicated to the Evaluation Team and the membership. Information shall be posted on the website, shared via email and/or posted on social media.
- The Evaluation Team will ensure they are well versed on the MEIFHA Player Evaluation Process, reviewing all documents, policies and schedules as they are provided each season.
- Meetings will be held prior to the start of the team selection process with the Vice-President Hockey Operations, Division Coordinators, and Head Coaches. On and off ice staff and volunteers (including Independent Evaluators) should also be educated on the expectations for their role.
- At least one member of the MEIFHA Executive or other designated, experienced volunteer will be present at every Evaluation session, to support the Division Coordinators.
- Notification throughout the Evaluation process will continue using website posts. Once posts have been updated, links will be shared by email and/or social media. Every attempt will be made to post a player's next ice-time by the date and time designated on the published Evaluation schedule. These should be set in advance, outside of regular school hours, considering age division and sufficient time for Players to get to the rink. If full updates cannot be posted on time, a new designated time should be posted on the website in its place. Information should be available no more than 24 hours after any Player's last session.
- The following volunteers will be required to support Evaluations and although not technically required until December 1st, we prefer that our volunteers all have their CRC w/VSC. Division Coordinators and the VP Hockey Ops will fill these slots. Volunteers are to be impartial and respectful
 - On-ice sessions will be supported by on ice volunteers (minimum 2).
 - Bench volunteers (minimum of 1) for Intr Squad games.
 - Dressing rooms will be chaperoned according to the Two Deep policy,
- Goaltenders will be evaluated during regular Evaluation sessions. Depending upon the need, as determined by the Evaluation Team, goaltenders may also be evaluated during a separate position specific session.
- Each on ice session will be evaluated by a minimum of three (3) evaluators for position Players and one (1) goaltender evaluator, whenever possible.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS **(CONT'D)**

- The Evaluation Team must check in with the Division Coordinator/Vice-President Hockey Operations prior to each ice session. Attendance will be recorded. Coach and Independent Evaluators will be provided with the MEIFHA Evaluation Form.
 - Any assigned Head Coach will be considered an Evaluator however MEIFHA will always provide a minimum of 3 independent evaluators. MEIFHA will provide an additional independent evaluator to act in their place, if a Head Coach has not yet been assigned..
 - A Head Coach may choose to enlist one assistant to help evaluate players during skills, however, only one coach score will be used to determine ranking, so if there are multiple coaches, scores must be combined (see Scoring & Decisions).
 - A Head Coach may enlist one assistant to evaluate players during intra-squad games.
 - Evaluators are not to sit together nor discuss their opinions or share notes with any other Coaches, Evaluators, Players or Parents/Guardians.
 - Evaluators will identify the Players by number only, prefilled into the Evaluation forms. Names will not be provided.
 - All ice sessions will be used to evaluate personal hockey skills and game play in accordance with all MEIFHA Player Evaluation Guidelines.
 - Evaluator's observations will be recorded on the MEIFHA Evaluation Form (see Appendix A). Completed forms will provide results and a basis for player movement.

Coordinators will input the data into a google sheet (shared with the VP Hockey Ops), verify decisions and finally share player movement by pinny number, in another google sheet, (shared with the Executive and the Website Administrator). Please be mindful that a minimum of 30 minutes is required to get this information ready for the website.
 - All MEIFHA Evaluation Forms are confidential and will be returned to the Vice-President Hockey Operations after the data has been uploaded by Coordinators. All forms will be kept in their custody.
 - Post-evaluation debriefs will be held after each evaluation session except after initial skills. Independent evaluators will participate as required.
 - Prior to all final team selections, there will be a meeting of the Evaluation Team. If a situation warrants, the President (or any other Executive member) and/or Regional Director may be asked to participate in this meeting.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS (CONT'D)

PLAYER ABSENTEEISM AND LATE REGISTRANTS

- a) Attempts will be made to slot late registrants into the appropriate Category as Players missing ice times due to legitimate reasons must not be penalized.
- b) Players who miss evaluations for any reason other than medical will be started at the lowest Category, and be evaluated at that point by higher-Category Coaches and the Category's Division Coordinator. Should upward movement be deemed fair and equitable, the Division Coordinator will make a written recommendation to the MEIFHA Executive for Approval.

INJURY SITUATIONS

- a) Where a Player for medical reasons is unable to participate in the Evaluation Process, that Player must provide a note from a licensed medical practitioner indicating:
- The reason for non-participation to date; and
 - The player's current fitness for participation.
- b) Once a Player with an approved medical excuse from Evaluations has been medically cleared to play, and has received Executive approval to do so, the Player will join practice(s) with a team one Category below the team they hope to join (I.E. U15 AA if vying for U15AAA, U11C if vying for U11A, etc.). The Head Coach of the team the player hopes to join and the Division Coordinator will both attend the practice(s) to evaluate the Player. The VP Hockey Operations and/or members of the Evaluation Team may also be asked to attend and assist in the evaluation process. The Division Coordinator will then make a written recommendation to the MEIFHA Executive, for final approval.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS (CONT'D)

SCORING & FINAL DECISIONS

Any and all documents related to the evaluation process will be kept confidential, shared only with the MEIFHA Executive. Evaluation results and discussions witnessed by Division Coordinators, Independent Evaluators and Head Coaches are also to be kept in confidence.

a) Scoring:

Skills sessions: Skills scores are intended to provide the starting point of player evaluations. All scores submitted by Evaluators are averaged to determine a player's initial ranking and game assignment. Skills scores will be weighted as follows:

- U11 - U18: 1 coach to 3 independent evaluator scores
- Therefore, while a coach can enlist multiple assistants to evaluate, they must all be combined as only one coach score is used to calculate the initial player ranking. We place a greater emphasis on the independent evaluator scores.

Intra-squad or Exhibition Games: Game scores are intended to safeguard the integrity of the evaluation process. Division Coordinators will continue to track and calculate the average scores submitted by the Independent Evaluators until teams are all determined. How exactly are the skills scores used in the rest of the process?

- When a Head Coach is in place, the coach will propose selections and releases in discussion with the Evaluation Team. The Head Coach score should be close (within half a point) of the Independent Evaluator score and therefore support the decisions of the Head Coach. Anomalies (score of 2 vs. score of 3.5) would warrant further discussion within the Evaluation Team, however, final decisions will be made by the Head Coach.
 - The Head Coach has the discretion to choose (3) players:
 - Must be selected only from remaining candidates
 - Reasons for the choices must be articulated in writing to the VP Hockey Ops before official final team selection.
- When a Head Coach is not yet in place (awaiting child/player evaluation etc.) selections and releases may be proposed to the Evaluation Team by any member of the Evaluation Team, or the Evaluation Team may make decisions solely based on the average score. If a coach is not assigned by the end of the evaluation process, the Division Coordinator and VP Hockey Ops will make the final decisions.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS (CONT'D)

SCORING & FINAL DECISIONS

b) Parents/ Guardians volunteering with MEIFHA and involved in team selection, will not influence the decision-making process with respect to their child. All other members of the Evaluation Team will assess their child privately before anyone with a conflict of interest can rejoin the discussion about other Players.

c) Preliminary placement of all Players on respective teams, will be based solely on evaluation results, however, if deemed necessary by the Evaluation Team, additional session(s) may be added to the Evaluation process to further examine closely ranked players.

d) Following the preliminary placement of Players, the MEIFHA Executive reserves the right to make changes to any team roster if it is considered to be in the best interest of player development. It must be kept in mind that while building a team a player's skill set along with their effort and attitude should be considered, and sometimes this can difficult to assess during the preliminary placement process.

e) In cases of multiple teams at the same division and category of play, all Coaches will attend a Team Balancing Meeting with the Division Coordinator and Vice-President Hockey Operations. The purpose of the meeting is to use the player evaluation results to create balanced teams. MEIFHA will do their best to accommodate team placement requests, however it will not always be possible.

f) If a concern arises, a written complaint may be submitted to the Division Coordinator within four (4) days of placement of the player. The Vice-President Hockey Operations and Division Coordinator will review all the relevant information pertaining to the issue raised and respond to the complaint.

g) The twenty-four (24) hour rule will apply to all concerns. Any and all email/contact received prior to the 24 hours after an evaluation session or team selection announcement will be completely disregarded. Messages received after 24 hours can expect an initial response via email, then by phone, and if further discussion is warranted, an in-person meeting will be arranged.

POLICY # 19.0 – PLAYER EVALUATION PROCESS & TEAM SELECTION PROCESS **(CONT'D)**

HNSFC document (Final Version 2025) excerpt: Team Selection

Appropriate team selection involves ensuring fairness, transparency, and adherence to established guidelines. The team selection process is vital for maintaining trust, morale, and the overall success of a hockey program. When players and caregivers perceive the selection process as unbiased and transparent, it fosters a sense of confidence in the system and reduces potential conflicts. Fair selection ensures that players are chosen based on their skills, performance, and potential rather than favoritism or external influences, promoting equity and inclusivity.

This approach is also key to player development. By selecting players who meet clearly defined criteria, teams are better positioned to help individuals grow and reach their full potential. It ensures that players are challenged appropriately and placed in an environment that matches their skill level, which is essential for both individual and team progress.

Team Selection Process:

The Evaluation Chair, in collaboration with committee members and team coaches at FHA's discretion, will form teams based on the following guidelines for each level:

C: These players have a solid understanding of the basics, such as skating, passing, and shooting, and are working to refine their skills and improve their overall gameplay. This level is often suited for players who may not desire a highly competitive environment. Their overall performance scores generally range from **0.5 to 1.5**. Goaltenders at this level are developing foundational skills such as basic skating techniques, positioning awareness, and fundamental save movements.

A: These players are developing their skills and gaining experiences in areas such as skating, puck handling, shooting and teamwork. This level provides a structured environment for players to improve and prepare for higher levels of competition if desired, while still emphasizing enjoyment and growth in the sport. Their overall performance scores generally range from **1.5 to 2.5**. Goaltenders at this level are advancing their positional movements, refining rebound control, and enhancing their ability to track and react to the play.

AA: These players demonstrate strong skills and abilities in areas such as skating, puck handling, shooting and game sense. While not as competitive as AAA, it is still a significant level of play and provides opportunities for players to develop and advance their skills. Their overall performance scores generally range from **2.5 to 3.5**. Goaltenders at this level show proficiency in advanced save techniques, lateral movement, post integration, and efficient transitions to support their team's defensive and offensive play.

AAA: These players are often among the most skilled and talented in their age group, showcasing advanced proficiency in skating, stickhandling, shooting, passing, and overall game sense. As a highly competitive level, AAA serves as a pathway for players aiming to reach major, collegiate, university or professional levels. Their overall performance scores generally range from **3.5 to 5**. Goaltenders at this level exhibit elite skills in all areas, including rapid lateral mobility, precise rebound control, seamless transitions, and high-level positioning strategies to maximize their effectiveness in high-pressure situations.

For divisions with multiple teams at the **AA or AAA** level, a team balancing meeting must be conducted, including respective coaches, the Evaluation Chair, the FHA president, and the RD. This initiative is supportive of **Regulation F3.4. An association may register more than one team in the same classification (level) within a division. These teams must consist of players balanced in skill, ability, and of mixed ages within the division.** Balancing teams at the same level is essential for maintaining the integrity of the sport, fostering player growth, and creating a fun and rewarding experience for everyone involved.

POLICY # 20.0 – TEAM FINANCES & FUNDRAISING

POSITIONING STATEMENT

MEIFHA is a volunteer organization that administers the cost sharing of female hockey programs to its members. In the interest of sustainability, we must find reasonable ways to minimize cost without sacrificing our members' hockey experience. MEIFHA supports allowing members and teams using fundraising activity to offset the costs associated with the participation in our female hockey programs. The MEIFHA Executive has developed a policy and set of guidelines to ensure that fundraised monies are utilized in hockey program areas that:

- foster athletic development & physical literacy;
- personal development;
- enhance the female hockey experience

Further, MEIFHA fundraising policies are not designed to restrict teams and members that choose to provide more for their programs but are designed to allow for reasonable fundraising activity to suit a specific hockey program. Additionally, MEIFHA fundraising policies help ensure that certain fundraising activities may continue in the future (sustainability) as well as protect MEIFHA, its members and volunteers from legal issues. All Coaches and Managers must ensure that during fundraising activities, child safety is paramount. All members of the Association, players and participants, have a responsibility to protect the positive image of the Association and conduct themselves above reproach, when representing themselves as members of the MEIFHA.

FUNDRAISING POLICY

a) Teams have the option to draw upon Parent Contributions in lieu of Fundraising Activities to support their hockey season program. If this option is exercised, the majority of the parents must be in favor, by way of vote. In order for the vote to be valid, a minimum of 75% of the team families must participate. The results of this vote must be communicated to the Team and written documentation must be provided to the MEIFHA Financial Assistance Coordinator. Team Player banks should be made payable in a minimum of three installments with the final instalment due by Feb 15th of the season. Incoming sponsorship money can be accounted for/deducted when determining instalment amount owed per family.

b) Startup/seed funding can be requested within 30 days of the Team formation. Recommended amount is \$200 with a maximum ask of \$350.

c) All fundraising MUST be approved by the MEIFHA Financial Assistance Coordinator before teams will be allowed to proceed. Failure to follow this rule will see penalties or sanctions being assessed to the Team, including but not limited to denial of any future fundraising activities. Approval is obtained through the approval of the budget worksheet. If a Team wants to start activities in advance of the budget worksheet being submitted, please contact the Financial Assistance Coordinator.

POLICY # 20.0 – TEAM FINANCES & FUNDRAISING (CONT'D)

d) Funds for Team use are available either through Parental Contributions, Sponsorships or Fundraising Activities.

e) All Team Fundraiser Events must be registered with the MEIFHA Financial Assistance Coordinator. If players are going to be participating in and/or in attendance during the activity, the MEIFHA Financial Assistance Coordinator must be made aware of this. Failure to report a Fundraising Activity could result in disciplinary action from the MEIFHA Executive Committee.

f) At the discretion of the Team, proceeds from Fundraising Activities will be divided equally amongst the Player or Parent Members that registered to participate in that Fundraising Activity, and count toward that individual Player Contribution. If individual level sponsorship is obtained and is contributed to a Player's contribution, funds can only be applied to a current hockey season's contribution.

g) All Team Fundraising activities must be included in the Team Budget with monies accounted for by the Team Treasurer. All income from Fundraising Activities (including but not limited to the following) will be deemed Fundraised Money;

- Monies received for auction items purchased and admittance fees whether they are made by parents or the general public;
- Monies received for "Jersey Sponsors", whether or not the person or company is a parent of the team

h) All Team Fundraising activities must be coordinated and supervised by a Team Official (Coach, Assistant Coach, Team Manager, Team Treasurer or adult from the team). Where players are involved in a Fundraising Activity, Players must be supervised by their Parent or by a Coach, Assistant Coach or Team Manager listed on the Team's approved official roster.

i) For Fundraising Activities where there is a Lottery, Raffle or Games of chance, if the following three elements are applicable:

- The disposition of property (a prize);
- Any mode of chance whatsoever involved in obtaining the prize;
- Consideration exchanged for a chance to win the prize (i.e., paying money for a chance to win a prize);

then the Activity will require a licence from the Nova Scotia Department of Alcohol and Gaming. This can be obtained for applicable events here:

Refer to <https://novascotia.ca/sns/access/alcohol-gaming/forms-permits.asp>

POLICY # 20.0 – TEAM FINANCES & FUNDRAISING (CONT'D)

Pursuant to Nova Scotia Alcohol and Gaming Authority Act, alcohol, alcohol gift cards or other similar items may not be used in part or in whole for a Fundraising Activity. Similarly, the promotion of gambling (i.e. Casino or Poker Nights) is not permitted. If a team knowingly breaches this act, MEIFHA will not assume any responsibility for these actions or actions related to this breach.

j) **Association 50/50** proceeds sold by Team members will be sent from the Association to the Team Treasurer. Funds are to be applied to Team totals and/or individual Player banks; whatever is decided by the Team at the beginning of the season. The Team decision must be documented in an email to the Team. Once the Team budget is balanced/approved, any credit for the season under \$50 can be sent back directly to the Player's family. Any individual refund over \$50 will be returned by the Team Treasurer to the MEIFHA Vice-President of Finance. These funds will be credited to Player registration for the following season. Money can be transferred to another hockey Association for the following season but if a Player does not return to another hockey Association, the money will be retained by MEIFHA.

k) **Jersey Sponsors** - Teams may obtain one sponsor at a rate of no more than \$200 per jersey. Each Team will be responsible for obtaining sponsor name bars for their sponsors and having them attached per our Equipment and Jerseys Policy. The cost of Sponsor bars shall come from the sponsorship revenue.

l) Teams must limit the total number of Team Fundraising Activities to four (4) per season - unless otherwise approved by the MEIFHA Financial Assistance Coordinator. The Association 50/50 fundraiser does NOT count as one of the four (4) Team Fundraising Activities

m) The MEIFHA Executive Committee must approve fundraising Activities for special events (such as Hosting Provincial Championship Tournaments, or travelling to Special Tournaments / Events).

n) Teams may not show any approved Fundraising Activities as having a negative balance on the Team Expenditure worksheet. Should a Fundraising Activity incur a loss, it should be entered on the Team Expenditure Worksheet as \$ 0.00. Teams will be permitted to submit an application for an additional Fundraising Activity should an approved event incur a loss.

o) The MEIFHA Executive Committee has the right to audit records and verify amounts at any time. All receipts and bank records must be provided within 48 hours of this request.
